Step 1 & 2

- Place felt on hoop, run placement stitch for the stamp.

Step 3 &4

- Take scrap piece of felt and lay over placement and tack down.
- If you choose to run the inside of the stamp (love) run that as well

Step 5& 6

- Cut around your stamp and Run lines, If you wish to add text you can do that .. You will need to do that in your embroidery software to ensure that it is done In the correct order.

Step 7

- Turn your hoop over lay a piece of felt filling the hoop and (one piece of felt) just 1" under the stamp this will make your pocket. You might want to use spray adhesive or pin in the middle to prevent sliding around. Run the final stitch.

Step 8

- Cut 1/8-1/4 inch around the final stitch and your done 😊
- Happy Stitching!!!
