

Learning to button Flower Pot

By: Dejah Vue Designs

Learning to button Flower Pot

Hoop stabilizer add felt to hoop making sure you add 3-4 inches above your embroidery area.

Tack down the felt with the placement of the pot

Learning to button Flower Pot

Add the stems and leafs

**Add felt over your placement
stitch run tack down**

Learning to button Flower Pot

Trim. Un hoop and re hoop stabilizer and do flowers which are done just like a feltie

Flowers completed just like a feltie

Learning to button Flower Pot

Sew buttons just above the stems

Have your child button the flowers to the learning page.
