Hoop stabilizer (I use tearaway)
Stitch placement line on stabilizer

Lay the fabric down for the skin tone
this will be your main piece of felt

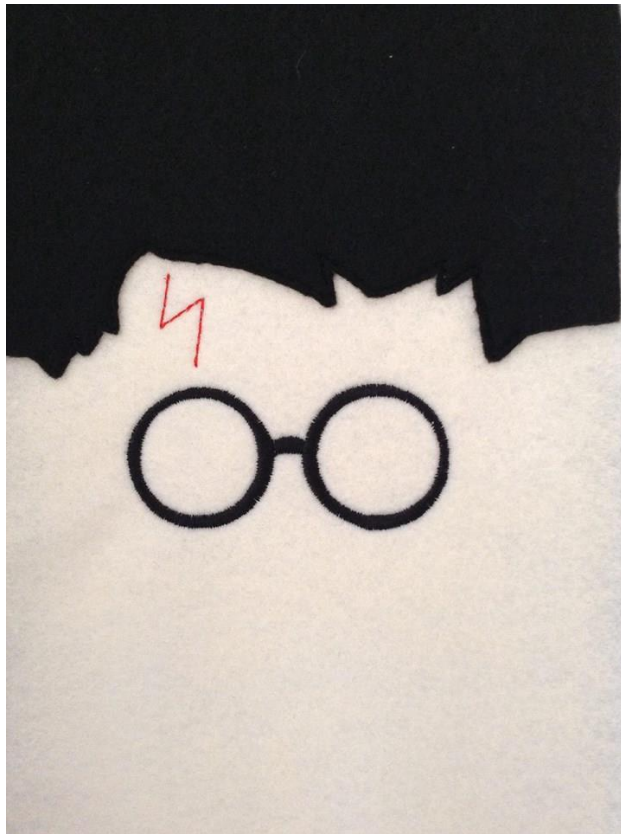

Run Placement line lay felt over placement line for hair.

Tack down and only trim around the stitched area it will look like picture.

Stitch face details

Placement line for shirt

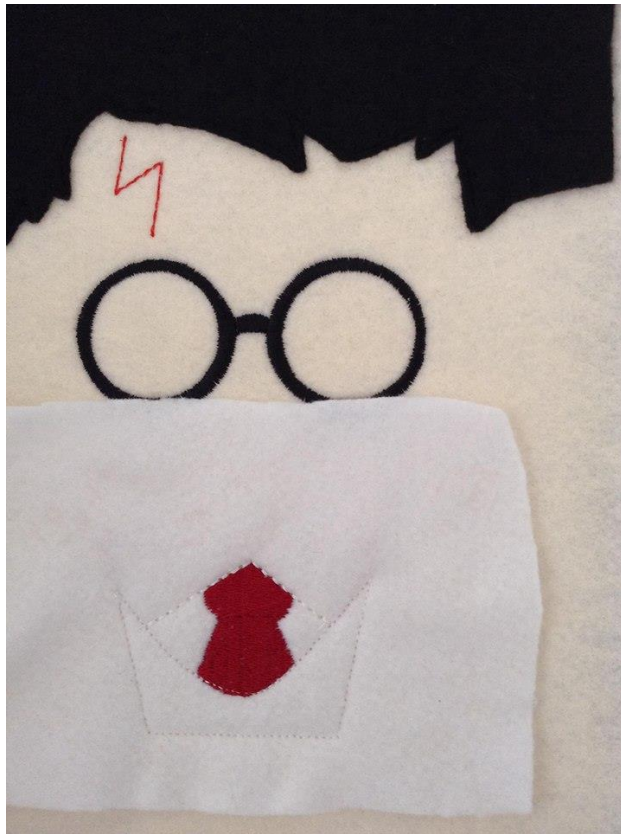

Place felt over shirt

Run shirt details will tie and collar details.

Placement line for vest

Tack down vest this is same concept as hair only trim where the stitches are.

Placement line for Jacket

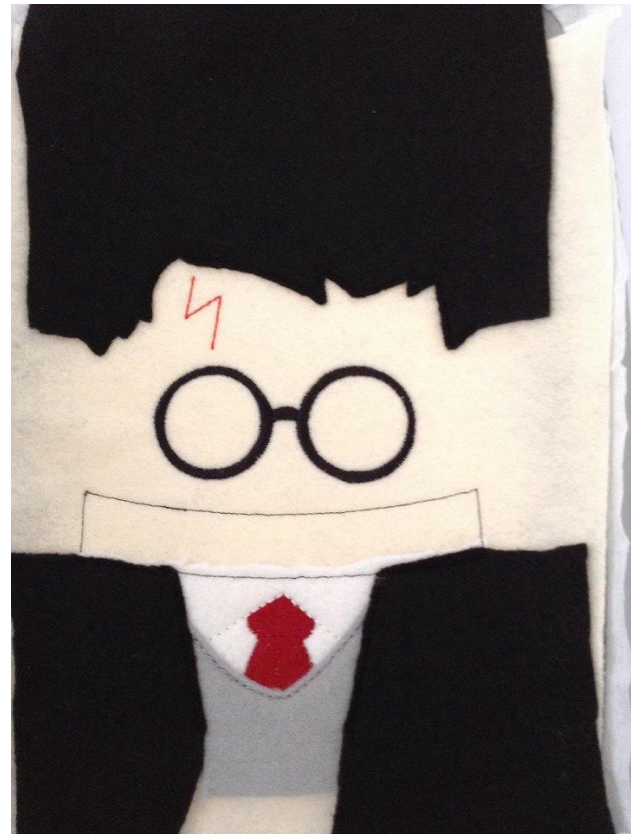

Add felt over placement lines and tack down

Trim where stitches are at this step trim your white shirt fabric following the line of the jacket (as shown)

Placement line for collar

Place felt over placement line

Stitch stripes in scarf

Tack down

Trim as shown in picture.

On the back of your hoop place 1 piece of felt over placement line and another piece $\frac{1}{2}$ inch down from top of placement line (this creates your pocket)

This is what the back of your hoop should look like

Stitch final 3 steps trim and enjoy!!
