# Bow Tie or Headband ITH

## Hoop Stabilizer

Place pieces of fabric size of hoop  
right sides Facing down on hoop

# Bow Tie or Headband ITH

**Tack down and remove from hoop**

**Trim leaving 1/8 inch inseam and turn both pieces**

# Bow Tie or Headband ITH

**Press both pieces to remove any wrinkles**

**Fold large piece in half and press seam**

# Bow Tie or Headband ITH

**Sew the raw edges together**

**This is what it should look like**

# Bow Tie or Headband ITH

**Fold your large piece so the seam you sewed and where you pressed meet this will be the center of your bow.**

**Take a piece of fold over elastic size of head band or size for neck for boys bow tie & sew ends together**

# Bow Tie or Headband ITH

**Crease your bow in 4 like this.**

**Flip over and add a dab of glue and glue your FOE seam to the bow**

# Bow Tie or Headband ITH

Wrap your small piece around the bow and the FOE -  
glue or hand sew the middle piece in place.

**All Done!!**
