Run placement for arms

Lay fabric side good together

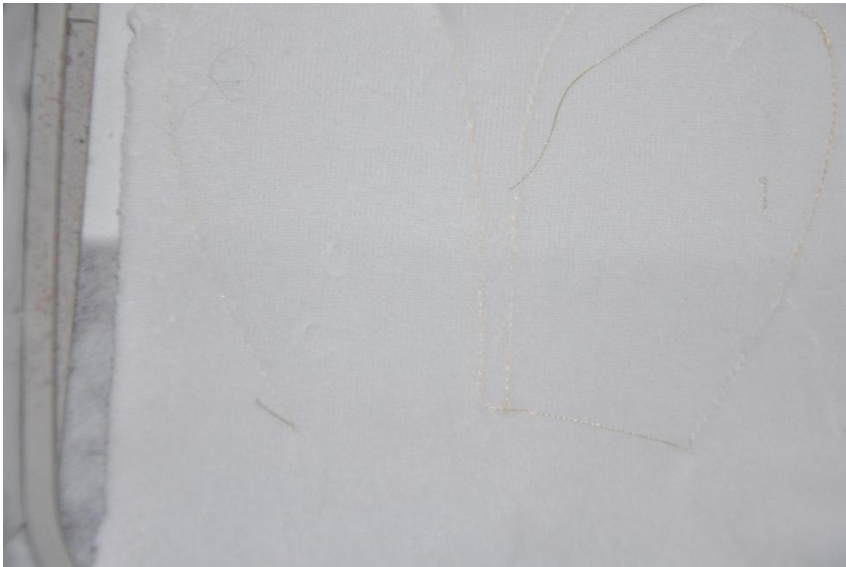

Cut close to the stitching but not too close.

Placement of ears...

**Tack down treat like applique
now...**

**Place fabric on top good side
down**

Run placement for carrot

Add scrap piece of felt over placement

Stitch inside

Add back

**I use a pin but make sure its not in
stitch area u can use 505 spray.too**

Un hoop and do body

Tack down fabric

**While the face is running turn
your parts right side out**

**Tack arms down.. It will be done
1 by one...**

**Place fabric down good side down... this pic is not right
because I chose to sew the ears on after a bad
experience.....**

- The ears will be added after body by machine slide ears through ear opening and stitch by hand or by machine.. Turn right side out and stuff!!! 😊
