1) Hoop Cut away Stabilizer  
2) Stitch Placement line on Stabilizer

3) Lay batting (approx 4x11in) and main pencil fabric over placement line with the fabric on top right side facing up

4) Treat item like an applique doing the pencil part and then eraser. **Do monogram before step 10.**

5) On stop 10 run placement line for elastic fold over 4" of elastic desired width but I prefer using 1/4" elastic. place over placement line with loop inside your design (pointing towards eraser) place about 1/4 inch over placement line so it does not easily pull through.

6) tack down with step 11

7) lay back fabric face down on top of the hoop and Run the final step.

8) Trim 1/4 inch around edges leaving approximately an inch around opening. Turn right side out. iron and sew shut.

9) Sew button of desired size on the eraser.
