

ITH Cinch/Drawstring Bags Tutorial

ITH Cinch/Drawstring Bags Tutorial

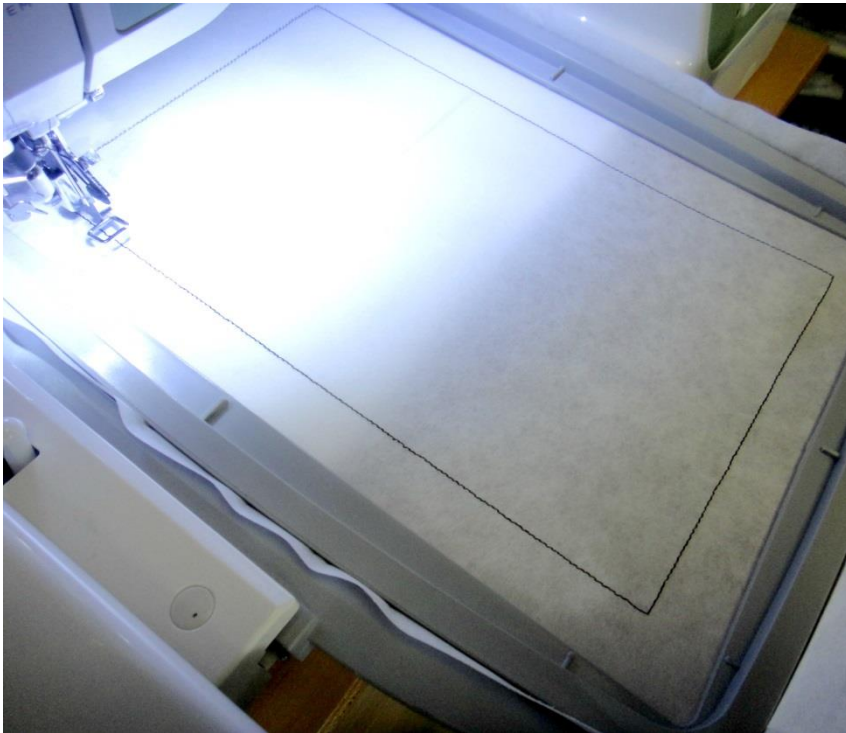

Cut two pieces of fabric the size of your design. + 3" on height and +1" on width Example if you're doing 4x4 you want 2 pieces of fabric 5x7"

Fold down 2" on the top of your fabric and Press (on back you might want to run a stitch 1" down to tack that fold down.

ITH Cinch/Drawstring Bags Tutorial

Run placement stitch

Line that top fold with the top of the placement stitch and run steps 2 & 3

ITH Cinch/Drawstring Bags Tutorial

Line the back piece of fabric with the front piece Good side down. Remember there is no tack down here for the fold so you might want to do that on your sewing machine.

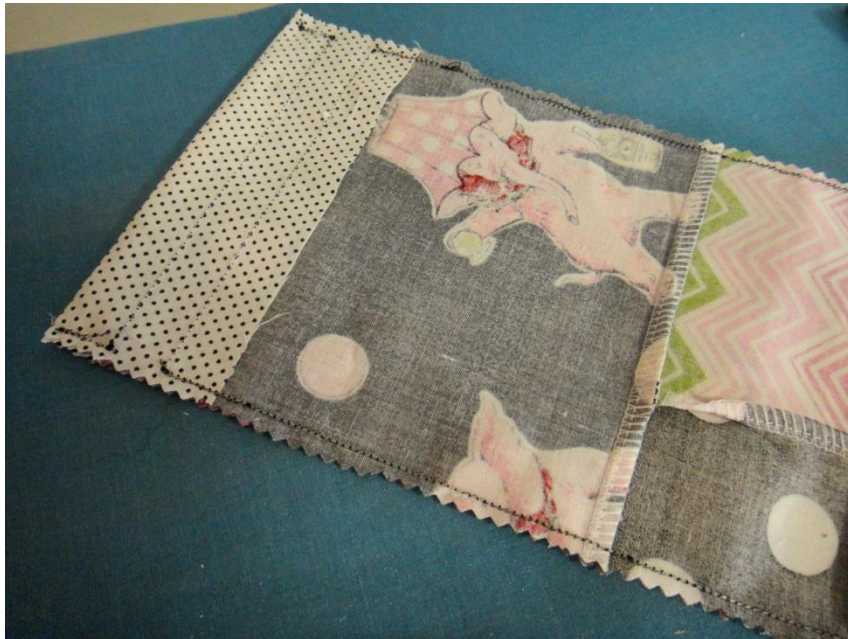

Run the final step

ITH Cinch/Drawstring Bags Tutorial

Remove from hoop tear away stabilizer- and cut with pinking sheers to keep from fraying

Run a ribbon or cord through the opening in side. – Turn it right side out and wrap your ribbon/Cord Around back and tie in front! You're DONE!!!
