

1. Hoop stabilizer and lay desired body colored felt on top. Stitch step 1 body outline stitch.
2. Place hair on top of hair, and run step 2, hair placement stitch.
3. Run step 3 pink hair accent.
4. Run step 4 dark purple hair accent.
5. Run step 5 hair details and outline. Trim hair.
6. Run step 6 undies placement stitch.
7. Place felt over the undies placement line and stitch step 7. Trim undies.
8. Run step 8, eyes.
9. Run step 9, mouth.
- 10 Remove hoop from machine and float a piece of felt under the hoop. This will make the back of the doll. Return hoop to machine and stitch out doll hair outline (make sure you have changed your thread back to hair color).
11. Change thread and stitch body outline to finish doll.
